

# RIZBI AHMMAD

## MERN STACK DEVELOPER

Mirsharai, Chittagong, Bangladesh | [contact.rizbi123@gmail.com](mailto:contact.rizbi123@gmail.com) | +880 1815 109616  
[Github](#) | [Linkedin](#) | [Portfolio](#)

### CAREER OBJECTIVES

I am a passionate MERN Stack Developer with expertise in React, Tailwind CSS, and modern JavaScript frameworks. With a strong foundation in both frontend and backend technologies, including Node.js, Express.js, and MongoDB, I specialize in developing dynamic, high-performance, and scalable web applications that enhance user experience. My goal is to continuously learn, innovate, and contribute to impactful projects in the ever-evolving web industry.

### SKILLS

#### Technical Skills

Html | CSS | JavaScript | React.js | Tailwind CSS | Node.js | Express.js | MongoDB | Firebase  
Git | Github | Netlify | Vercel | Photoshop | Figma

#### Interpersonal Skills

Problem-solving | Team collaboration | Adaptability | Continuous learning | Time management

### PROJECTS

#### 1. E-learning platform

E-Learning is an interactive platform that connects students and teachers through online courses, offering seamless learning experiences with secure authentication and course management.

Live Link: [E-learning](#) | Github link: [Frontend](#) | [Backend](#)

##### Key Features

- Secure login with role-based access for students, teachers, and admins.
- Browse, enroll, and participate in various online courses.
- Manage courses, students, and platform settings efficiently.

#### 2. Group Study

A dynamic platform that connects students for interactive study sessions, assignment management, and real-time feedback. Live Link: [Group Study](#) | Github link: [Frontend](#) | [Backend](#)

##### Key Features

- Create and join study groups for collaborative learning.
- Submit assignments and receive teacher feedback.
- Secure login with JWT-based authentication.

#### 3. TaskZone

A task management application with real-time updates, drag-and-drop functionality

Live Link: [TaskZone](#) | Github link: [Frontend](#) | [Backend](#)

##### Key Features

- Drag-and-drop task management with real-time updates.
- Firebase Google authentication for secure access.
- Task categorization (To-Do, In Progress, Done) with instant database persistence.

### EDUCATION

Port City International University

B.Sc in Computer Science and Engineering

January 2020 - June 2024

### ADDITIONAL INFORMATION

- Languages:** English(Fluent in reading, writing, and conversation), Bangla (Native), Hindi.
- Extra Curricular Activities:** PCIU Volunteer(2022-2024), PCIU Computer Club (2023-2024).
